

## Perth Radiological Clinic Dental Imaging Investigations Referral and Billing Guide

This document provides a summary of pricing for Perth Radiological Clinic's most common dental imaging investigations, including the bulk billing structure or applicable fees for pension and health care card holders, as well as out-of-pocket costs for other patients.

### Compassionate Billing Policy

PRC has a compassionate approach to billing. Medically urgent scans will always be seen, regardless of our billing policy. If your patient is experiencing financial difficulty, please contact us by calling our referrer line on 9599 3929, or have a member of your practice team call. We can discuss options for bulk billing or discounted pricing to support your patient's care. Alternatively, your patient can let our booking team know they are experiencing financial hardship, and our patient support team will discuss billing options.
