

Perth Radiological Clinic Multi-Disciplinary Fellowship

The Partners of Perth Radiological Clinic are pleased to offer a privately funded Multi-Disciplinary Fellowship in Perth, Western Australia. This is a post RANZCR qualification role following successful completion of 5 years of training.

This is a 12-month Fellowship with 6 weeks annual leave and 2 weeks study leave p.a. provided on average over the term of the Fellowship:

During the 12-month fellowship period 3 days/week will be dedicated to up-skilling/fellowship and 1-2 days/week to working as a consultant in general radiology.

- The Fellowship will consist of exposure to variety of radiology sub-specialties, including MSK, Chest (lung screen), Dental, Obstetrics/gynecology, spinal and stroke imaging (Neuro).
- Training will be provided to develop proficiency in a wide range of CT and ultrasound.
- The Fellow will be sponsored to attend lung cancer screening training offered by RANZCR (online)
- Identification and discussion of interesting cases.
- Record of competency and proficiency will be maintained. Regular feedback on progression will be provided against expected criteria at each stage of development.
- Contribution to the library of interesting cases.

The successful applicant will be a full- or part-time (0.8 -1FTE) employee of PerthRadClinic Ltd, service entity to the Perth Radiological Clinic partnership, remunerated as a Fellow/Consultant for the first year and as a full consultant Radiologist post Fellowship. The salary for the consultancy role will be negotiable at the time of 12 months interview and will be at competitive market rate.

The contract will include one fully paid trip to a major Radiology meeting in Australia subject to presentation of a paper/poster from work in the Fellowship, or other representation of PRC, expenditure capped at \$5,000.
